Please let your server know at the time of ordering of any allergen and dietary requirements. We prepare our food in a busy kitchen and cross contamination may occur and our food may contain or come into contact with common allergens such as nuts, wheat, soyabean, celery and mustard. We fry our food in vegetable oil made from modified soya beans, so would recommend not ordering if you have a soya allergy. Due to the nature of our business we are not a celiac friendly venue and we cant offer gluten free food. We would also not recommend anyone with a sesame allergy to order from us as we use sesame seeds in the majority of our dishes. Our coffee machine is used with all milk types and cannot be 100% allergen free. During busy periods vegan fryer may be used for animal products, please state before ordering if fryer is vegan friendly. Gluten free buns available. Every caution is taken during prep, but some meat dishes may contain bones.
